Today's market is global and diverse; and so should be your business. Tech ICS believe that revolutionising your business on the digital platform is not just a prerequisite but a need to exist.

Your business

With continued global changes, businesses often fail to keep up-to-date. This is where Tech ICS comes into its own, by becoming your Digital Partner. Technology enables businesses to reach out to and connect with customers/clients faster and in better form. It supports your infrastructure by better organisational management, with systems to monitor customer/client contact, behaviour and end user experience.

Us

Tech ICS, we are Digital and IT Specialists, with combined expertise spanning over 60 years. The company has project managed for both small and large businesses including multinational institutions at home and further afield.

Services to choose from

Tech ICS expect no service to be ever the same, bespoke is what we design along with a strategic vision based on your objectives. This is because you will use the system, and what better to generate a tool that caters to your needs. Sure, we will voice our expert opinion on what would work better for you; ultimately we will always accommodate your needs and wants as a primary focus as we look to deliver the best possible solution.

- ✓ Web Development Services.
- ✓ Web Based Software Development.
- ✓ Digital Marketing, including Search Engine Optimisation.
- ✓ Cloud Services & Data Management.
- ✓ Web Hosting Services.
- ✓ Content Management & Copywriting.
- ✓ User Experience Development.

Costing

Tech ICS's costs are based on an hourly rate in line with the level of time our colleagues will work on the assigned project. We can provide estimations as always however these will be verified prior to any commitments made by you.

Where we charge a fixed fee for our service(s), no increased charges will be applied unless advised beforehand with explanation agreed upon. Our trust is based on being transparent throughout a processes lifecycle.

Summary

We acknowledge you are seeking value for money, and this is what we work on. Retaining your services at Tech ICS for all Digital and IT needs is of paramount importance to us.

Speak to one of us and let us create an action plan for your next Tech Phase.

Tech ICS.

Sites Developed by us

✓ www.icslegal.com

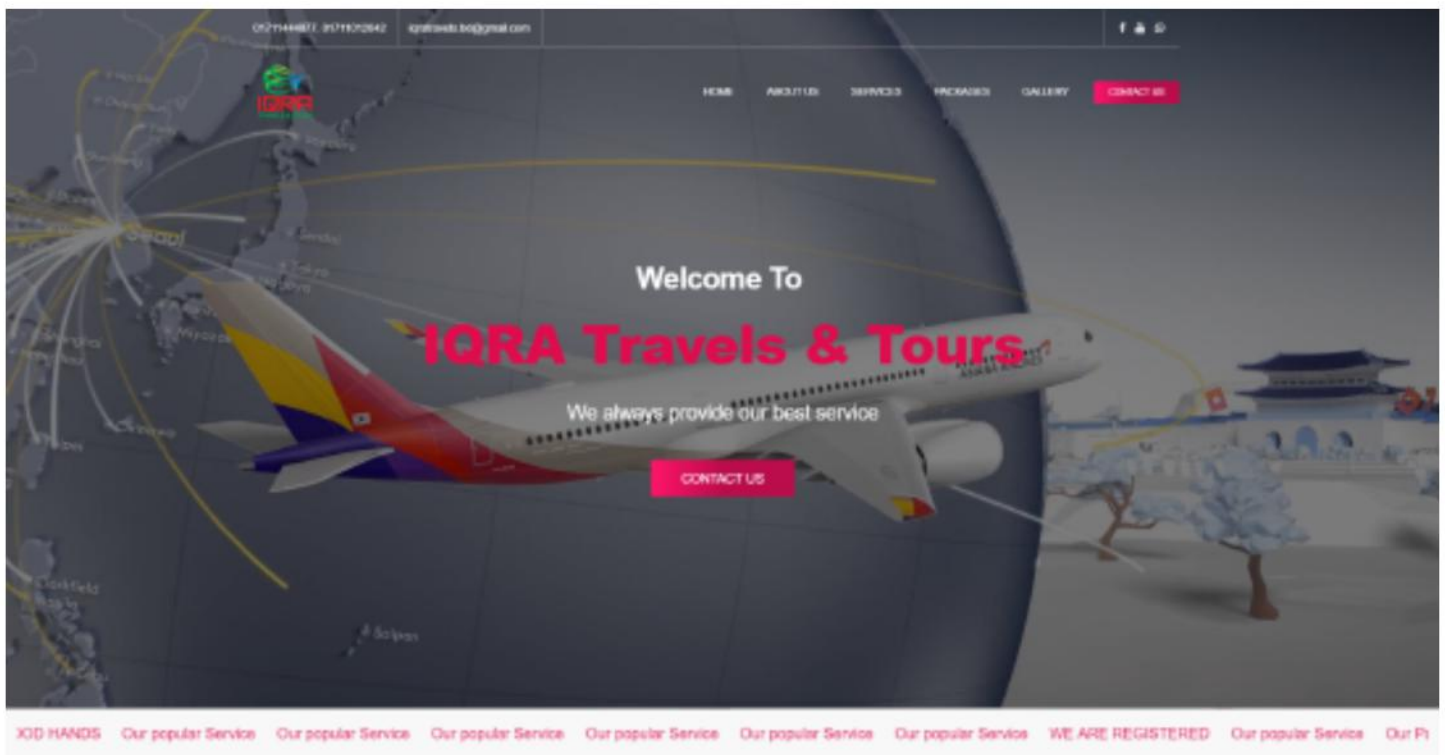

We hope that you find our pages useful and informative. ICS Legal specialize in UK Immigration advice | UK Visas Advice | Marriage Visa | UK Spouse Visa | British Citizenship | Tier 1 Visas. ICS Legal is an OISC (Office of the Immigration Services Commissioner) regulated legal practice, providing immigration advice and visa advice. As Immigration Experts our immigration advice extends on how to enter the United Kingdom to Study, Work, Visit or Settle with family.

The screenshot displays the ICS Legal website interface. At the top, there is a navigation bar with links for Home, About Us, Services, UK Visa, UK Citizenship, Regulatory Bodies, Latest News, and Contact Us. A search bar is prominently featured in the center. Below the navigation, a large banner advertises 'Confirmation of British nationality status' with a Home Office logo. The main content area is organized into a grid of service categories, each with a brief description and a 'Find Out More' button. The categories include:

- Settle in the UK:** UK visa application pack, Free online assessment, Request a call back, Contact us now, Book a consultation, Register with us, Client login, Family visa assessment, Search/Advertise properties with Zillow.com.
- Settle in the UK:** Immigration advice can help you with most things in connection to immigration, including helping you with completing the correct forms and representation at the relevant immigration offices.
- UK Visa / Apply, Complex Cases:** ICS Legal undertakes some of the most complex cases which include legal grounds in addition to the immigration rules, such as grounds may be domestic violence cases, serious criminal cases, and further representations to the Home Office.
- Company / Business Sponsorship / Investor:** The UK Tier 1 Sponsorship license allows UK businesses to employ non-EEA migrants. This offers a company a significant competitive advantage as you will have the opportunity to recruit the most appropriate person for the job.
- Work / Learning:** There are many forms of British Nationality, however British Citizenship is the only form that allows you to live and work in the UK without the need for a visa.
- Same Day Visa Premium Service:** We will make the right application, at the right time and at the right price.
- Business Plan:** You will need a good, practical business plan for the Tier 1 Entrepreneur Visa.
- Application Packs & Templates:** Includes letters for a UK visit visa, Business Visitor Visas, and Application Packs.
- Study in the UK:** The Study Visa Immigration service grants a UK study permit enabling you to undertake a course of study in the UK with the status of obtaining a recognized qualification.
